

FISCAL NOTE

SB 2748 - HB 2759

February 27, 1998

SUMMARY OF BILL: Provides that when the District Attorney's Office evicts a tenant from property because the property has been used for violation of certain laws, the cost of the labor required to evict such tenant will be paid by the owner or landlord of such property, not to exceed \$200.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Revenues - Not Significant

Assumes that the District Attorney's Office is currently paying such labor costs and would receive reimbursement for them in the future. Also assumes that the number of such cases is few and that the resulting increase in revenues from reimbursements would not generate a significant increase in revenues.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
